

Cultural expedition in Europe

Cultural questionnaire was worked out by school Comenius groups during the first meeting in Sofia in 2009. The main purpose of these studies was checking the pupils', parents', teachers' knowledge concerning partnership countries taking part in the project.

A survey for parents, pupils and teachers consisted of 10 questions regarding culture, traditions, habits, symbols and famous people of each partnership country.

They have answered for questions before visiting a country and after the visit.

The answers for questions were estimated as follows:

0 point - lack of answer

1 point - not complete answer

2 points - very good answer

Questionnaire for all

Conclusions:

The results of the opinion survey made among pupils, parents and teachers shows a considerable increase of their knowledge about partnership countries which are taking part in the project.

The project „**Cultural expedition in Europe**” has brought many positive results.
